Community Liaison

The Barnegat Police Department maintains a Community Liaison as part of its Community Policing Function. Barnegat has a significant over 50 population, and the police department understands that there are concerns and needs that are specific to this demographic. In order to maintain open lines of communication and information flow, the Community Liaison is available to meet with groups in age-restricted communities, active adult communities, and other groups which serve the needs of our over 50 population. The Community Liaison also offers discussions on contemporary topics of concern such as, home security, telemarketing scams, neighborhood watch, lottery scams, and identity theft.

Residents or representatives who wish to speak with a Community Liaison or schedule a discussion are encouraged to contact the Community Liaison, Detective Michael Mitchell, at 698-5000.
